

PAA3905KS-L242: Sensor Kit User Guide

General Description

The objective of this User Guide is to provide information for the PAA3905E1's Sensor Board. With this guide, together with the hardware board provided, user will be able to evaluate and operate the PAA3905E1.

1.0 Introduction

1.1 Overview

The PAA3905E1's Sensor Board contains a PAA3905E1-Q soldered onto a small sized PCB and comes with the lens assembly, secured in place with PixArt's recommended glue material.
